GUEST CHOREOGRPAHY

We are looking in to bringing in several guest choreographers for next competition season. Kaci McCall will be doing both the junior and senior hip hop choreography next year. That price will range between \$100 - \$150 (per dancer) depending on how many dancers are chosen to be in those routines.

We will also be hiring out at least one junior, teen, and senior small group as well as maybe one of the teen large groups. We are unsure of exactly who the choreographer will be at this time but there will be a fee of \$100 - \$150 (per dancer) depending on the number of dancers in this routine as well.

We are also excited to announce Karen Chuang might be available to come in and set a routine. Some of your dancers took class from her at Hollywood Vibe in Myrtle beach. She was just in GREASE live and is constantly working. She is very expensive and we wanted to get a head count on who would be willing to audition for her piece. If we don't have enough people interested in auditioning we will not be having her in. You must be at least 13 years old by January 1 to audition for this piece. Cost will be between \$300 - \$350 (per dancer). She is a very busy choreographer with an amazing teaching ability. This will be an amazing experience. **We will not be choosing these dancers at auditions. They will have to audition for her separately upon her arrival.**

If we are able to have Karen at the studio, we will offer a master class with her for all levels... minis, petite, junior, teen and senior ages. Pricing again will depend on the number of dancers who plan to attend.
